### Fairfax VA Harley Owners Group

We are eagerly anticipating the "official" opening ride, an annual favorite, the No Blarney Ride on March 16<sup>th</sup>. We are eagerly looking forward to a busy 2019 riding season and the activities promoting the enjoyment of motorcycling, safe riding and community involvement.

On Saturday, February 16<sup>th</sup> the Chapter sponsored our annual Have-A-Heart Blood Drive at INOVA-Woodburn. These gifts are precious and critical to those requiring surgery, accident victims and newborns. Sixteen blood donations were received. Chapter 50/50 proceeds went to INOVA Blood Center as well.

Our first major charity event of 2019 for the Chapter is the "Ride for Life" which is a national fundraising event organized by Harley Davidson Dealers and the Harley Owners Group in support of Muscular Dystrophy Association (MDA). This event starts at the grassroots with thousands of Harley riders taking an active part. During the months of March and April, Fairfax

Chapter members will be contacting friends, co workers, family and neighbors to invite them to join us in the fight to conquer MD.

The Chapter will be supporting Patriot H-D on April 6th to clean up their Adopted Spot of Fairfax Blvd. from Patriot H-D, West to the Fire Station and also in front of City Hall on Armstrong Street. We are joining many other groups and citizens of Fairfax City to spruce up the community we all take pride in.

Work is well underway on our 21<sup>st</sup> annual "Ride of the Patriots" event on Sunday, May 26th. We believe it is important to honor and remember all those in uniform who have given their lives or are missing in action while protecting our liberty. This event includes a Community Parade and Opening Ceremonies that attracts local leaders, neighbors and veterans. Each year we are overwhelmed by the large numbers of residents who come to share in what has become a terrific Community event. Everyone is invited to honor those who serve so unselfishly. Stay tuned for more details.

The Fairfax Harley Owners Group is a diverse and energetic force of over 700 members. The Chapter publishes a monthly newsletter and maintains its own web page, [www.fairfaxhog.com](http://www.fairfaxhog.com)

## Fairfax Lions Club

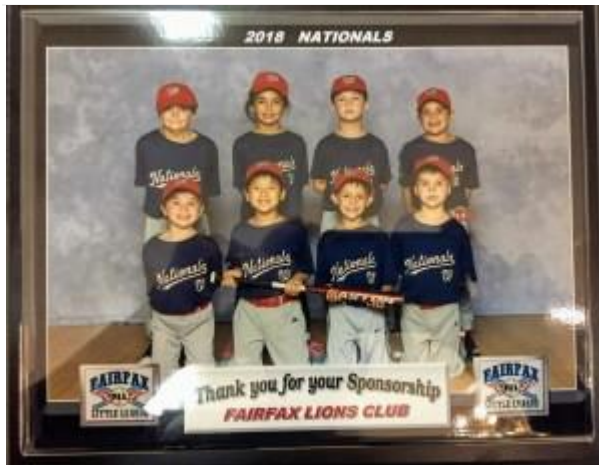

**We Serve**

Since 1951

### Little League Team Thanks Fairfax Lions

*Each year, the Fairfax Lions Club supports several youth programs. One such youth activity is the "Fairfax Nationals" little league team. In February, 2019, the Lions were proud to accept a plaque acknowledging support for the 2018 season.*

### Vision Screening

On Saturday, February 2, a team of Fairfax Lions joined the local Kiwanis Club on the 3rd floor of Fairfax City Firehouse #3. The event was the Fairfax Chocolate Lover's Festival. The Lions screened the vision of 133 persons using the SPOT screening system our Club owns.

The screening process identified 35 persons (a relatively high 26% of total screened) who were referred for a complete eye exam by a professional. Among this group, several were young children. A number of families were screened and all were happy to learn about their vision. One young family was glad to discover that both children needed vision correction, but we could sense their concern about the cost of obtaining professional vision care. Lions are able to discuss with them advice on how to obtain a no-cost eye exam and eyeglasses, provided by Lions Clubs for qualified persons.

### Peace Poster Contest Winner

Fairfax Lions Club selected as its winning peace poster that of Miss Saranya Gadwala, age 13, of Rocky Run Intermediate School. Her poster competed at the Lions District level and went on to the VA state competition. The Lions International Peace Poster Contest has made a global impact on adults and children alike. It gives kids 11-13 years old, a creative way to express their visions of peace. Approximately 600,000 children from 75 countries participate in the contest each year. The theme this year was "Kindness Matters."

Miss Saranya Gadwala holds Lions certificate, surrounded by her family
