Central Fairfax Chamber of Commerce

Small Business Focus. Big Business Results.

The Chamber continues to support its members and the community through a variety of programs and benefits of membership. We recently rolled out two more benefits for our members - Notary Services and a savings program at Office Depot/Office Max. Notary services are also offered to non-Chamber members for a fee.

We just came off of a successful Restaurant Week at the end of September and are looking forward to Small Business Saturday on November 28. Fairfax City's Office of Economic Development, Economic Development Authority, Central Fairfax Chamber of Commerce, and the Old Town Fairfax Business Association are partnering together to once again rally our city to support and celebrate *Small Business Saturday*. This year, we will continue our city-wide "Elf Hunt" but with a twist. Instead of hiding the elf in stores, businesses will incorporate them into their storefront window displays. Each participating business will have an elf and a QR code displayed in their window that can be scanned to verify the elf was "found". When the QR code is scanned, not only will it verify the elf was found but links to participating businesses websites will be included along with ways to support them online and information on specials and

promotions they are offering. Our traditional hardcopy Elf Hunt cards will also be available for those who visit participating businesses in-person, as many of them will be offering in-store specials for the day. The traditional Elf Hunt cards will list each participating business and when you visit in-store, the business will stamp the card confirming your "find". Traditional Elf Hunt cards will be available at our "Welcome Station" on Saturday, November 28 from 10:00 am to noon at Old Town Square, 10415 North Street. At the welcome station you can pick up morning treats, hot cocoa, receive a free Small Business Saturday canvas tote, stickers, and more.

Residents and visitors will have from Saturday, November 28 through Sunday, December 13 to find ten or more elves. Participants that find 10 or more elves, will have their name entered into a drawing for a chance to win one of five \$100 gift cards to a Fairfax City business of their choice.

This is a socially-distanced event but visitors that have been diagnosed with COVID-19, are awaiting test results for COVID-19, or show any symptoms of the virus are asked to stay home. To ensure the health and safety of the public, the Fairfax City Economic Development Office will be implementing comprehensive COVID-19 protocols to mitigate the spread of the virus.

Civitan Club of Fairfax

Pandemic quiet, Fairfax Civitans keep in touch electronically, and "meet" via Zoom. MC Elias from the Best Buddies Capital Region is the speaker at our 5

November Club meeting. Most of our regular service and fund raising activities are in hiatus. However, we are busy selling White House holiday ornaments, and the Club also is looking at possibilities for using Zoom Bingo events for fundraising.

Fairfax VA Harley Owners Group

Fall is a great time of the year for riding and enjoying all of the terrific roads in Virginia. As we head for the holiday season riding gives way to getting involved with family

The Chapter generates funds from rides in October and November that will be used to provide a Thanksgiving dinner on November 25th for people supported and served by The Lamb Center. Several Chapter members will be involved in serving and helping with the meal. We look at the Lamb Center as close neighbors and are proud to help.

We will be hosting a Thanksgiving Dinner Ride on November 14th to generate additional funds for The Lamb Center.

The Chapter has again enthusiastically joined with the Salvation Army's Holiday Program. The program will be quite a bit different this year due to COVID. The Salvation Army is asking us to donate Gift Cards which will be used by the families to purchase gifts and needed food. Next year we will be back for Holiday Stockings are being filled with all kinds of surprises for kids and families in Fairfax County who otherwise would not have much. Chapter members will also be on hand next year before Christmas to assemble bikes and then assist with distributing the Holiday packages to families in need.

The Fairfax Harley Owners Group is a diverse and energetic force of 390 members. The Chapter publishes a monthly newsletter and maintains its own web page at www.fairfaxhog.com. If you wish to know more, please contact me.

Here we "Grow" again! The Fairfax Rotary Club is pleased to have added 3 new members in October! We continue to meet via Zoom each week with an average of 40 people "zooming" in each week. The club is still supporting a variety of projects throughout the City including "A Place to Eat" - a food assistance program for students at Fairfax City Schools. We are gearing up for our annual Holiday Party that will be a "Drive-Thru" event for families or 35-40 children. The families are provided to us by the Salvation Army. We will provide gifts, gift cards, stockings, and food for these families. We will also continue with our annual bell-ringing for the Salvation Army at the Walmart and Safeway on select Saturdays in December. Once given the go-ahead by the schools, we are prepared to do our annual dictionary distribution to all 3rd

graders in the Fairfax City Schools and at St. Leo's and our U.S. Constitution distribution to all 8th graders at Lanier Middle School.

General Federation of Women's Clubs Woman's Club of Fairfax

We had a "drive by drop your dues off" event at the Dolce Vita restaurant outside venue on Sunday afternoon. It was well attended, and many people stayed for drinks and nibbles, masks on of course! Dues were collected and, since we couldn't have our annual bake sale at the Holiday Show, monetary donations were made. We also collected candy to take to the Fairfax City Fire Department personnel. And many hats were given for the Ellie's Hats organization, which donates hats to child cancer patients. Also, members donated gift card donations to the

Salvation Army's Christmas program, since this year we can't actually fill stockings because Covid.

And thanks to Larry Larson, we were able to make our Volunteer of the Year presentation in person. Larry was kind enough to deliver the Certificate directly to me in time to take it to the event, so that was very nice, instead of having to do it via Zoom.

We are having a holiday wreath fundraiser with Worchester Wreath Co., the Maine Company that annually places wreathes on the graves at Arlington National Cemetery. Wreathes for home decoration can be ordered on-line and I will be glad to give the information to anyone who might be interested.

Some members of our Club created "Thank you" tokens to present to the caregivers at Braddock Glen assisted living facility in Fairfax. Last month members made and donated little goodie bags to the residents there.

Later on this month, we are doing a drive-by "parade" past a few members' houses who have been shut in during this virus for one reason or another.

Meanwhile, we will continue with our Zoom meetings, including our monthly Book Club meeting, like everyone else.
