**Small Business Focus. Big Business Results.**

The Central Fairfax Chamber of Commerce is so happy that 2020 is in the REAR-VIEW MIRROR! We have continued to work to support our member business and the business community at-large. In fact, in 2020 we ADDED five new benefits of membership!

As we look forward to 2021, we have great plans! We will launch our new Community Impact Council (CIC) - the CIC will work to support businesses and nonprofits through collaborative partnerships, and the promotion of corporate social responsibility and volunteerism to build success and contribute to local community building initiatives. It's purpose will be to bring together business and community leaders in order to provide extra support and resources to our nonprofit members as well as to educate and encourage our business community on the advantages of working with and partnering with our nonprofit members. By coming together collectively and collaboratively, the business and nonprofits can definitively transform the communities in which we live. With enough businesses and nonprofits working together, there is no limit to the impact that we can achieve. We can offer solutions to community problems, strengthen relationships, and make our community a better place to live, work, and play. We envision this council to offer quarterly events on topics of interest to nonprofit management as well as to businesses who would like to make impactful contributions to our community. Their first event will take place in April (during National Volunteer Week) and will be a presentation to our Young Professionals Group on Board Service, what it means to serve on a board, and (most importantly) what it takes to be a GOOD board member. More information is coming!

In the immediate future, we are offering a webinar on Thursday, February 18 at 2pm on the Phased Allocation of COVID-19 Vaccines in Fairfax County. We will hear from Christopher Revere, Deputy Director for Innovation and Planning, Fairfax County Health Department. Fairfax County is currently providing the Pfizer and Moderna Covid-19 vaccines through a partnership with the Virginia Department of Health. Learn about which groups are eligible to receive the vaccine and when it will be your turn. Learn how the vaccination schedule will impact your employees, your family, and your business. To register, visit our Chamber Events page - <https://www.cfcc.org/events/#!event-list>.

Lastly, we are helping the City of Fairfax get the word out about their new

initiative. *Connecting Fairfax City for All*, the city's racial and social equity initiative, has begun. The 15-member stakeholder group has been appointed, and community listening and learning sessions begin in February. An important component of this initiative is gathering perspectives from city residents and business owners. The city launched an online tool to gather comments, personal stories, ideas, and questions – all of which can be submitted anonymously. This is your opportunity to weigh in on how the city's nomenclature – street and place names and historical monuments and markers – are perceived by residents, customers, and visitors. All ideas, opinions, and suggestions are welcome. Visit the project page on Engage Fairfax to read feedback gathered so far. The city encourages you to share your thoughts and participate in the process. <https://engage.fairfaxva.gov/connecting-fairfax-city-s-past-and-present-to-build-a-more-equitable-and-inclusive-future>

### Civitan Club of Fairfax

Steve Mutty was the speaker at our 7 January 2021 Fairfax Civitans zoom meeting. Steve was the founder of the state organization of Best Buddies. Now he is CEO of Volunteer Fairfax. An average of 15,000 volunteers come through Volunteer Fairfax per year and over 50,000 hours of service are provided. In 2020, Steve put together a taskforce on Disability Inclusion in Volunteering (DIV). Our current Fairfax Civitan president—Sagan Brummett—serves as the Chair of the DIV Program Committee. Among other objectives, DIV is developing a toolkit to help agencies support and expand their ability to host volunteers who have a disability.

A zoom Civitan Board meeting on 26 January focused on planning, particularly on ways that our Civitan members can serve their communities during this Pandemic. For example, we are exploring possibilities of playing zoom Bingo, and we will practice doing so in support of the Down Syndrome Association of Northern Virginia. One of the other service options considered would have members provide friendship and support to the very low-income seniors living in Fellowship Square “Fellowship Houses.”

The speaker at our 4 February Club meeting is from the Alzheimer's Association. Then, in March, a staff person from Fellowship Square will talk with us about new service possibilities.

## Fairfax VA Harley Owners Group

We have been busy getting organized, virtually planning activities for the year and putting on a number of training events.

Our plans for 2021 are ambitious in terms of meeting our mission of having fun riding, riding safely and giving some back to our community along the way. On February 13th, Chapter members will be giving the "Gift of Life" at INOVA Blood Center. As the year progresses, the Chapter will be active with our traditional charitable activities on behalf of the LAMB Center and the Salvation Army. There will be a few others along the way including Adopt-a-Spots in the City of Fairfax.

We are hopeful that our Chapter will proudly be hosting the 22nd Annual Ride of the Patriots on Sunday, May 30<sup>th</sup>. AmVets has a placeholder for the event, but as yet definitive plans have not been announced. The format would be the same as previous years including a parade, opening ceremonies and a motorcycle procession to join "Rolling To Remember" at the Pentagon to recognize all those in uniform who have given life and limb in defense of our liberty and way of life. Back in 2019 well over 5,700 bikes came to Fairfax to join our ride. Whatever we do and whoever attends, we look forward to a safe and memorable event in 2021. RoP has become a community Memorial Day weekend event with many residents and guests coming out to honor our military heroes. We will also be participating in the City of Fairfax Independence Day Parade and will be conducting several Motorcycle "Show & Tell" Programs at County libraries and other venues throughout the summer, if they are held..

We look forward to working with the City and ISCC civic organizations in 2021 to make our community a better place for all of us.

The Fairfax Harley Owners Group is a diverse and energetic force of over 350 members. The Chapter publishes a monthly

newsletter and maintains its own web page at [www.fairfaxhog.com](http://www.fairfaxhog.com)

Share your story with HFCI, s ORAL HISTORY PROJECT. If you or if you know someone who has lived in the City for most of their life; our oral history program shares information about the past!

HFCI applied and was granted funds to further the "advanced imaging project" in the

attic of Blenheim. Wallpaper in a bedroom will be taken off with the hopes there will be more names of civil war soldiers names to decipher. This work is ongoing and to date, we have uncovered two new names.

HFCI allotted funds along with the City to replace the windows in the Blenheim house.

ISCC members who have supported the fundraiser "Taste of the Vine" in the past should have received a letter from HFCI asking for a donation. The 2021 event is tentatively scheduled for October 8 under advisement of covid.

The Optimist Club of Central Fairfax was glad to welcome in 2021. Our club members are looking forward to this new year, with a feeling of hope and a positive vision for what is possible in the months ahead. We feel that the time is coming closer when we will be able to meet with our fellow Optimists and the kids we love to serve-- in-person once again.

We had a wonderful speaker at our January 19 club meeting: Principal Joe Thompson of Mountain View High School. Principal Thompson talked about his love for his job and for his students. Mountain View is an alternative high school in Centreville. Most of their students are on their own or are carrying the adult responsibilities of running a household. Our club has had a special relationship with Mountain View for over 7 years, and Principal Thompson thanked the club for our assistance and recognition of the school's students for their achievements and for overcoming challenges in their lives.

Our club is currently very busy with our scholarship programs. We will hear the winning essay from our Essay Contest winner at our February 16 club meeting. Information, for the 2021 \$1,000 Limburg scholarship awarded to a deserving graduating senior, has been sent to five local high schools, with applications due by April 7.

Thursday, February 4 is Optimist Day, celebrated by Optimist clubs throughout the world. Our club was honored with a proclamation, read by Mayor David L. Meyer at the January City Council meeting, declaring February 4, 2021 as Optimist Day in the City of Fairfax. We are very proud to be recognized by the city for our service to the youth of our community.
